

Beasy Products and Pricing

DOMESTIC and CANADA

No-Lift Transfer Systems and Accessories

Lifetime Mobility Products

Ordering our premium gliding transfer systems in volume can save you substantial amounts of money. Volume orders do not need to be all one model. You can mix and match to reach your volume total. Please see below for volume breakdown:

1-24 Boards	\$169.00
25-99 Boards	\$164.00
100+ Boards	\$154.00

MAP Pricing: A minimum DOMESTIC MAP price is currently in place for our premium transfer systems. The selling price may not go below \$249.00 on any platform in the U.S.

New Dealer Terms: First three orders are pre-pay only. Following orders are 2% 10 NET 30.

Beasy can drop ship anywhere in the USA and most places globally. Shipping can be set up by BeasyTrans Systems, or the receiver. All shipping, duties, and taxes are the responsibility of the receiver.

Domestic Shipping: One board shipping cost \$14.00 to Commercial Address/\$18.00 to Residential Address.

Shipping is by UPS unless otherwise specified. Shipping is by negotiated rate for more than one board.

Canada, Alaska, Hawaii, and Puerto Rico —shipping by quote only.

First order has a 2 board minimum purchase.

Amazon sales are by Beasy authorization and agreement only.

#2600

Beasy Standard Curved

Currently available in plastic only

There are sometimes unique circumstances when a standard transfer board will benefit a patient more than a transfer system with a moving seat. Our standard transfer boards are made of strong, high quality HDPE plastic. Beasy knows that customers have many different mobility needs, so we created boards with unique shapes, such as our curved board and our specialty bathroom board.

Beasy standard boards work well for patients with a fear of movement, especially those with dementia. They come with a 7" No Slip Pad to prevent slipping when you use a hard surface on a hard surface.

Wholesale Price—Wood Boards: \$50.00

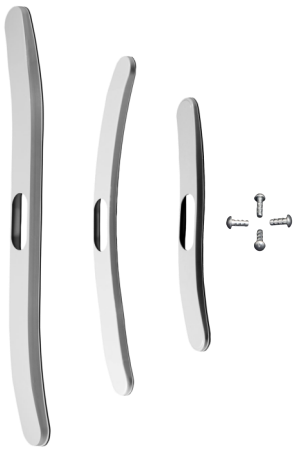

MSRP: \$74.99

Wholesale Price—HDPE Plastic Boards: \$59.99

MSRP: \$99.99

No Return Policy-(Standard Transfer Boards Only)

BeasyTrans Systems, Inc. prides itself on the quality products we have provided to our customers for over 20 years. Our HDPE plastic is strong, easy to clean, and easy to use, however plastic also scratches easily, making the product non-saleable after use. Therefore, we have made this product non-returnable.

Beasy Limited Lifetime Warranty

Beasy Transfer Systems and accessories are made of the highest quality materials and manufactured to stringent quality standards. We are pleased to stand behind our products with the following warranty: Under normal use and treatment, the materials and workmanship of Beasy boards are warranted for a lifetime for the purchaser only—with receipt. Contact us directly at 833-466-4376. This warranty covers repair and/or replacement. The decision to repair or replace will be the sole discretion of BeasyTrans Systems, Inc. This Warranty does not include our standard HDPE plastic transfer board line of products. Return policies vary by dealer.

Dealers can find images for Beasy products and Instruction Guides on our website at www.beasyboards.com. Use Dealer Password bEAsyDLRs@! under the Dealer tab.
